- Film School's New Disc Gets Its Beats From My Bloody Valentine Drummer**
It's hard to remain casual when one of your idols is in the room. Now imagine said idol happens to be a member of one of your all-time favourite musical acts, and that he's recording tracks for your album.

- Film School's Sense of Place**
While the Film School sound itself — a brainy My Bloody Valentine-inspired foray into atmospheric post-punk — has not changed all that much, the experimentation toward creative expression and experimentation has changed.
